

Early College HS graduate with an AA Degree in Multidisciplinary Studies

Sample degree plan is for degree plans obtained from EPCC and UTEP websites. It should only be used for initial research and comparisons to other sample plans on this site. Always discuss your academic plans with your college/university's academic adviser. The information used to create these plans may have changed by the time they were posted to the website.

- Earn an Associate's degree from an early college high school
- Attend UTEP for 7 semesters
- Earn a Bachelor's in Education
