Assessment Tools

The Center on Positive Behavioral Interventions and Supports has collected more than 20 resources that can help teams assess the systems and practices supporting PBIS. These free, valid, and reliable tools were created through the Technical Assistance Center on PBIS.

www.pbis.org/resource-type/assessments

Identify one or two of the tools linked above that you plan to learn more about to help with implementation. Write your ideas below.

T·I·E·R

PBIS Resources

Surveys

Texas Education Agency (TEA): Safe and Supportive School Climate

<https://tea.texas.gov/about-tea/other-services/mental-health/safe-and-supportive-school-climate>

This site includes a school climate improvement resource package, as well as tools for school climate practice, positive school discipline, and bullying prevention.

U.S. Department of Education: Guide School Climate Resources

www2.ed.gov/policy/elsec/leg/essa/essaguidetoschoolclimate041019.pdf

This site includes a free guide for parents and educators that explores school climate resources.

National Center on Safe Supportive Learning Environments: School Climate Surveys

<https://safesupportivelearning.ed.gov/edscls>

This site includes reports to guide initiatives designed to measure and strengthen a positive school climate.

Restorative Discipline

TEA: Restorative Discipline Practices in Texas

https://tea.texas.gov/Restorative_Discipline

Restorative practices with conflict resolution offer an opportunity to learn how to heal and repair relationships. This has been shown to have more positive long-term results in shaping behavior than punishment. TEA offers free resources and training on its website.

Assessment

Center on Positive Behavioral Interventions and Supports: Assessment Tools

www.pbis.org/resource-type/assessments

These free tools were created through the Technical Assistance Center on PBIS.
